

Exploring the Tourism Development of North Lantau as Tourist Destination in Hong Kong

North Lantau has been developed as tourist destination in past decade including Ngong Ping 360 (NP360), Po Lin Temple, Big Buddha, Wisdom Path, Tai O Village, Tai O Heritage Hotel etc. The tourism resources of North Lantau Island are rich and diversified to boost local economy and tourism.

To explore the tourism development of North Lantau, the Programme Management Team, Associate of Social Science in Leisure and Tourism Management, Division of Social Sciences, organized field trip to North Lantau on 9 March 2019. Through the guided tour to Ngong Ping 360 Cable Car System, Wisdom Path, Po Lin Temple, Big Buddha, Tai O Heritage Hotel and Tai O Village, students had impressed the recent tourism development of North Lantau that had enhanced the number of visitors to North Lantau especially in weekend and public holidays. They witnessed the tourism bloom in North Lantau that had triggered the local economy and become the “Must See” tourist destination in Hong Kong. As a whole, participants found the field trip interesting, rewarding and fruitful.
